Ballot Questions		
No	Ballot Question: Victims' Rights	This is a list of rights that are afforded to the victims of a crime. The problem is that these rights are likely to impede on the rights of the accused. Remember that accused means not convicted, and our criminal justice system rests on innocent until proven guilty.
Yes	Ballot Question: Green Space	Taxes sporting goods stores (i.e. hunting, fishing, and camping) and sets the money aside for environmental preservation.
No	Ballot Question: Business Court	Creates a parallel, superior court system for businesses whose justices are appointed instead of elected.
Yes	Ballot Question: Timberland	Fred Swann, the Democratic nominee for Commissioner of Agriculture, understands the need to preserve our environment and ensure the ease of conducting business in the State of Georgia. On balance, Swann believes that voting yes on the Timberlands amendment is the best choice.
